A word from Laurie Korby, CCMH Foundation Executive Director

Dear Donor,

I remember the beginning of March 2020 so clearly, yet it already seems so very long ago. Though a great deal has changed since then, I will say this: You are incredible people, and you accomplished incredible things for the CCMH Foundation in 2020.

- **With the support of our dedicated sponsors, donors, and Angelo at Super One Liquor, we raised more than \$16,000 through the Distant Wine Social last May!**
- **In October, we hosted the UnGala: a virtual event featuring a live-streamed raffle drawing and—in partnership with Ponderosa Sales at Lots4Bid.com—a live online auction. We raised over an astounding \$52,000!**
- **To top it all off, our legacy of employee philanthropy hit a new milestone with more than \$50,000 contributed through our 2020 Employee Giving Program. It's humbling to work alongside such a generous group of people.**

We enter 2021 with renewed hope and ambition, and we look forward to seeing many of you in person again before the end of the year. With the COVID-19 vaccine on the horizon for all, our **Wine and Beer Event is set for Friday, June 4th at the Cloquet Country Club.** Meanwhile, our **Holiday Sparkle Gala is scheduled for Friday, December 3, 2021.**

I am grateful for those who believe not only in our mission, but in the health of this community. I am proud of how our region has responded during the public health crisis; donors like you continue to be the backbone of this organization.

Best wishes,
Laurie Korby

P.S. Your generous gift strengthens the health of our community.

Please consider making a donation using the envelope attached to this HealthWire—any amount, no matter how small, can make a difference. Your gift is tax-deductible to the full extent allowed by law.
